DICK ACADEMY BACKPACK

The All-rounder

Features at a glance:

- Two side pockets for quick access. The side pockets of the backpack are ideal for drink bottles
- Zipped lid compartment for small utensils
- Front mesh pocket
- Key holder and rings for attachments
- Compression straps on the sides for secure grip and load control
- Sturdy carrying handle
- Mobile phone/camera pocket on the shoulder strap
- Length 38 cm, depth 19 cm, height 48 cm, volume 35 l

Further benefits of our DICK Academy backpack:

- Secure and convenient transportation of cooking tools and books (remove, and for example)
 - Dimensions geared towards the F. Dick roll-up case range
 - High level of carrying comfort thanks to the padded and ventilated back system
 - Hygienic, durable and easy-care polyester fabric
 - Base of backpack reinforced with a rubber profile making it washable, waterproof and stable
 - All-round zip: easy to load, access and locate items
 - Front section (lid) of backpack held in place by two straps preventing contact with the floor
